Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Review student performance data every five weeks for all students.
- Implement additional reading intervention support for identified students.
- Implement additional numeracy support for identified students.
- Case manage students in danger of not meeting school targets in reading.
- Continue use of FNQ Numeracy assessment tool across the school to be used at the end of each Term to inform teaching and measure progress.
- Improve teacher capability through focused coaching and professional development to improve student performance.
